

APEX LIVE GAMING CURRENCY & MASTER PLAYING CARDS CATALOGUE

CURRENCY & MASTER PLAYING CARDS

Every casino has its identity — its own rhythm, its own story. That's why we create currency that fits each one perfectly. From chips to plaques and jetons, every piece is designed for precision, durability, and unmistakable security. Advanced inlays, edge markings, and custom features protect your game from imitation, while the design speaks your brand's language. Whether for the casino floor or poker club, our currency brings safety, control, and personality to every table.

Our Master Playing Cards follow the same philosophy. Tailored for every environment, they combine flawless performance with a distinctive character. Made from 100% plastic, they resist wear, maintain perfect shape, and deliver effortless handling even after hours of play. Custom designs, security markings, and proven compatibility with shufflers make them the trusted choice for professional gaming — where precision meets personality.
